Experience

Microsoft Azure(PERSONSONIFY) | Remote INTERN | 10/2022 - 12/2022

I made a chatbot Using Data Science in Python under IIT Guwahati

Basically, Chatbots are conversational tools that perform routine tasks efficiently. People like them because they help them get through those tasks quickly so they can focus their attention on high-level, strategic, and engaging activities that require human capabilities that cannot be replicated by machines

Code Clause | Remote Web development intern Made a unit converter

A unit conversion. For instance, time can be expressed in minutes instead of hours, while distance can be converted from miles to kilometers, or feet, or any other measure of length.

This project is designed using HTML, CSS

Code clause | Remote Web Developer Intern Project related to portfolio Website

A portfolio website is like your online résumé. Potential clients and hiring managers can easily find you online and check out your previous projects and skills. The basic formula of a portfolio website would include a logo, tagline, your best work, and contact information. Sometimes this works but in many cases, it's a poor implementation. To highlight your portfolio in another light, consider including other key elements that will boost your portfolio's user experience: case studies, testimonials, a blog, and even a project you're currently working on at the moment. These are vital elements.

This project is designed Using HTML , CSS

Technical Skills

C/C++, Python Basic , DSA, OOPS, HTML, CSS, Javascript, React, Node JS

Certificates

C++ Deep Dive, Data Science In Python, Blockchain

Education

SRM Institute Of Science & Technology (Deemed University) | Ghaziabad, Delhi NCR
CSE | 06/2024
CGPA 8.09

ASN Higher Secondary School | Jammu, Jammu and Kashmir
Class XII | 04/2020
336/500 Marks

JK Public School | Jammu, Jammu&Kashmir
Class X | 12/2017
415/600 Marks
